

Bulldog Buddies Mentoring Program

Dear Parent(s),

We would like to invite your child to be a part of the Bulldog Buddies mentoring program. This program would partner your child with an adult mentor volunteering from the community. Your child's "Buddy" would eat either breakfast or lunch with them in the cafeteria and enjoy some quality conversation.

Studies have shown that children who regularly meet with a mentor are more likely to stay in school, have higher self-esteem, are less likely to try illegal drugs, and have better relationships with their peers and other adults.

We are very excited to have your child be a part of this program. If you are too, all you need to do is return this permission slip and we will have a mentor start visting with your child approximitly twice a month. If you have any questions please feel free to call Gretchen DeMasters, school principal, at 649-5760 ext 2400.

We have selected _____ to be your child's Bulldog Buddy.
