I/ we agree to the expectations below:

Expectations:

Minimum amount of time spent - an hour monthly (though most teachers/classes appreciate more frequent visits- especially to help read with students/listen to them read).

Full-school year commitment- If the person in your organization that is in charge of your classroom partnership leaves your organization or changes positions, please make sure the role is passed on to someone else, and not abandoned.

Get Acquainted- Contact my assigned teacher by phone or email (contact info is attached) or arrange a face-to-face meeting to go over expectations and ideas/plans for the year.
