

Parent Permission Form

Dear Parent/Guardian:

Your child has been invited to take part in the Lunch PALS program. The Lunch PALS program connects caring community volunteers with students in Joplin Schools.

If you would like to participate, a Lunch PALS volunteer will be matched with your child and will meet with him or her once a week during your child's lunch period. This is an opportunity for your child to develop a friendship with a caring community member. All Lunch PALS have a cleared background check through Atlas Risk Management. Giving your child permission to participate in Lunch PALS releases school personnel to discuss your child's private student information specific to his or her progress in the areas of grades, attendance, and behavior with his or her Lunch PALS so that the volunteer can be a source of encouragement and support in those areas.

For your child to begin this program, we must have your permission. Please complete the form below and return it to his or her school. Upon the receipt of the form below, we will start your child in this worthwhile experience.
